

HOMEMADE SUNSHINE

ASC @ HOME 2020

ZOOM

All Homemade Sunshine programming uses Zoom.

Instructions for downloading zoom are located at the Homemade Sunshine Website: www.sunshinecamps.org/homemade

Make sure you download Zoom before Homemade Sunshine begins so that you're not late to our first events!

HOW IT WORKS

This booklet contains all activities and supplies needed for each activity. Make your own schedule when there are multiple activities. Campers aged 6-11 will have a Cabin Time assigned. Teens may choose an activity designed just for them during that time. All activity choices in the middle of the day (and Saturday's activity) are all ages.

You should always go to www.sunshinecamps.org/homemade before the activity begins to click the right Zoom link. You might want to set reminders on a phone so you don't miss any activities!
