

**Austin
Sunshine
Camps**

Since 1928, Austin Sunshine Camps (ASC) has provided the magic of overnight camp without the barrier of cost to more than 56,000 children in Central Texas. ASC provides a nurturing environment where youth who qualify for the free/reduced school lunch program or are in foster care have the opportunity to explore new interests and develop a newfound sense of self confidence while enjoying the natural beauty and outdoors of Zilker Park and Lake Travis.

Keeper Luncheon | Wednesday March 26, 2025 | 11:30am-1:00pm

Join us in supporting ASC's annual luncheon, where over 200 key stakeholders come together to strengthen our mission through the Keeper Program, ASC's sustaining giving initiative.

This event is designed to generate long-term financial support by engaging a passionate audience (ages 30-70) with both the means and a deep connection to ASC's vision. The goal is to grow sustainable revenue, ensuring that ASC can continue its impactful work for years to come.

We hope you'll invest in the magic of overnight camp.
